Please be sure to change out your air filters in your units every 3 months. As we enter the Spring season, it may be a good time to have your A/C unit serviced.

Please contact **Penny Blackwood** with **HOA Management Professionals, Inc.** for any questions and/or concerns that arise with Kenwood Terrace building. **Emergency calls are handled 24 hours a day seven days a week by calling (818) 240-6515 and following the instructions for emergency calls.** www.KenwoodTerraceHOA.com

We continue to need everyone's help in flattening all cardboard when placing it in the P4 recycle bin. The bin fills up too quickly when we do not break down and flatten all cardboard.

Also, just a reminder to not place boxes in the chute, because it causes expensive chute blockage. To help with these costs, please take your cardboard directly to the P4 bin.

Please be kind and help! Thank you!
